Intended Outcome

Every company is headed by a board, which assumes responsibility for the company's leadership and is collectively responsible for meeting the objectives and goals of the company.

Practice 1.1

The board should set the company's strategic aims, ensure that the necessary resources are in place for the company to meet its objectives and review management performance. The board should set the company's values and standards, and ensure that its obligations to its shareholders and other stakeholders are understood and met.

Application	: Applied
Explanation on application of the practice	<p>The Board of Directors ("Board") is responsible for providing strategic guidance to the Company and effective oversight of its Management, for the benefits of shareholders and other stakeholders. The Board Charter sets out a framework which adopts principles of good corporate governance and is designed to maximise the Company's compliance with best practice requirements.</p> <p>The Board Committees are established to assist the Board in exercising its authority and each Board Committee will assist the Board by focusing on the respective activities in accordance to the Terms of Reference, reporting to the Board on decisions, actions taken or making any necessary recommendations to the Board.</p> <p>The Board is responsible for the overall corporate governance, strategic direction and corporate goals and therefore, monitors the achievement of these goals. It provides effective leadership and manages overall control of the Group's affairs through the discharge of the following principal duties and responsibilities:</p> <p>1) Reviewing and adopting a strategic plan for the Company</p> <p>The Board noted that the Company has established its "Vision" as follows:</p> <ul style="list-style-type: none">• To be a successful, profitable and brand focused company operating worldwide.• We create products desired and loved by our consumers.

- We are a culturally diverse international family of talented and motivated people who share one vision and strive towards the same goals.

The Board also noted the “Mission” of the Company is set as follows:

- Our trusted brands are daily companions.
- We are an internationally operating company with German roots.
- With passion and expertise we create products and solutions that fulfill consumers’ needs.
- We are committed to create value for our shareholders and customers.

The Company strives to achieve its vision and mission through the following guiding principles:

- (a) Integrity
- (b) Commitment
- (c) Quality
- (d) Teamwork
- (e) Innovation

2) Overseeing the conduct of the Company’s business

The role of the Board is to provide strategic guidance to the Company and effective oversight of its Management, for the benefits of shareholders and other stakeholders. In the normal course of events, the day-to-day management of the Company will be in the hands of Management and under the stewardship of the President/Chief Executive Officer (“**CEO**”), Mr. Loo Hooi Keat.

The Board received updates from the Management, Mr. Loo Hooi Keat and Mr. Ho Ming Hon as Senior Vice President/Head of Group Finance and Corporate Services, at the quarterly Board meetings when reviewing the quarterly financial results. During such meetings, the Board actively involved in the discussion on the business and financial performance of the Company.

Furthermore, the Board had on 21 February 2020 established an Executive Committee (“**EXCO**”) that consists of five (5) members of the Board. In view of the establishment of EXCO, a Term of Reference of EXCO has been adopted by the Board on 21 February 2020.

The EXCO will undertake the responsibilities as outlined in the Terms of Reference of the EXCO. The EXCO will meet up regularly to review and monitor the progress and performance of the Group's business strategy, business plan and budgets.

3) Identification of principal risks and implementation of appropriate internal control and mitigation measures

The Board is ultimately responsible for the Company's overall system of corporate governance including adopting a sound and effective system of risk management and internal controls of the Group and for reviewing its effectiveness. The Group has in place a formal and systematic risk management process to identify, evaluate, mitigate, monitor and review risks impacting the achievement of the Group's corporate objectives. The Board has delegated its risk oversight responsibility to the Audit and Risk Management Committee ("**ARMC**").

Further details of the Risk Management Framework are set out in the Statement on Risk Management and Internal Control of the Company's Annual Report in respect of the financial year ended 31 December 2020 ("**FYE 2020**") ("**Annual Report 2020**").

4) Succession Planning

The Board recognises that succession planning of the Senior Management is an ongoing process designed to ensure that the Group identifies and develops a talent pool of employees through mentoring and training for high level management positions that become vacant due to retirement, resignation, death or disability and/or new business opportunities.

The Board will review its succession plans by assessing the composition of the Board which include information on board members, length of service, re-election, membership of Board Committees and other directorships held by the individual Director which give the Board a clear picture of upcoming vacancies which will need to be filled.

5) Overseeing the development and implementation of a shareholder communications policy for the company

The Board ensures that the Company puts in place and review as required, a comprehensive communication policy

	<p>to address how the Company interacts with shareholders, other stakeholders, public, media, government bodies and authorities as well as complies with its continuous and timely disclosure requirements.</p> <p>The Board will use its best endeavors to familiarise itself with issues of concern to shareholders. The Board will regularly evaluate economic, political, social and legal issues and any other relevant external matters that may influence or affect the development of the business or the interests of shareholders and, if thought appropriate, will take outside expert advice on these matters.</p> <p>6) Reviewing the adequacy and the integrity of the Group’s internal control system and management information systems</p> <p>The Board has established key control processes to ensure that there is a sound framework of reporting on internal controls and regulatory compliance.</p> <p>The Statement on Risk Management and Internal Control as set out in the Company’s Annual Report 2020 provides an overview of the state of risk management and internal controls within the Group.</p>
